

2026 Dental South China International Conference

March 3-6, 2026

For sessions marked with “*”, admission requires an Electronic Lecture Pass A; For specialized training courses, admission requires an Electronic Lecture Pass B corresponding to the specific session; For EasyGo Hands-on Courses, admission requires an Electronic Lecture Pass C corresponding to the specific session; All other sessions are free of charge.
(Updated on February 2, 2026)

Schedule Under Continuous Updates – Scan the QR Code for the Latest Course Schedule

Morning of March 3

meeting room	Special Academic Lecture Session	Time	Topic	Speaker	Moderator	
Canton Fair Convention Centre (Area D of Canton Fair Complex)	2/F Conference Hall A	Orthodontics Session*	09:30-10:15	Diagnosing the Fourth-Dimensional Morphological Characteristics of Dental Arch with Cephalometric Analysis	Prof. Tianmin Xu, Peking University School and Hospital of Stomatology	Weical Wang, Associate Chief Physician, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital / Lina Bao, Associate Chief Physician, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)
			10:15-11:00	Periodontal Problems and Management Strategies from the Perspective of Orthodontists	Prof. Bing Fang, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine	
			11:00-11:45	Application of Double Key Loop (DKL) in Correcting Chin Retroversion in Orthodontic Treatment of Class II High-Angle Malocclusion with Mandibular Retrognathia	Prof. Hong He, School and Hospital of Stomatology, Wuhan University	
			11:45-12:30	Precise and Efficient Orthodontic Treatment for Patients with Periodontal Disease	Prof. Jinlin Song, Hospital of Stomatology, Chongqing Medical University	
	2/F Conference Room 1 A	Huawei Biotech Session	09:30-09:40	Introduction to the 6th Anniversary Offline Salon of Li Jun's i-Share	Jun Li, Cuckoo Elite Training Center	Organizers: Cuckoo Elite Training Center, Cuckoo Dental Bone Reconstruction Center
			09:40-10:10	Immediate Implantation in the Molar Region: Precise Design and Management of the Transgingival Cuff	Tianming Feng, Cuckoo Elite Training Center	
			10:10-10:40	"Seeking Knowledge, Guidance and Truth" – My Experience and Insights in Learning BBA Technique	Xi Li, Cuckoo Elite Training Center	
			10:40-11:10	Timing is Everything for Gingiva and Occlusion: Optimal Timing for FGG Grafting Around Dental Implants	Siyu Lai, Cuckoo Elite Training Center	
			11:10-11:40	Essence of Maxillary Sinus Bone Column Internal Elevation: The Art of Sinus Floor Augmentation	Kun Yang, Cuckoo Elite Training Center	
			11:40-12:30	Beyond the Limit – Reaching New Heights in Alveolar Ridge Augmentation: Methods and Strategies for Vertical Bone Regeneration	Jun Li, Cuckoo Elite Training Center	
	2/F Conference Room 1 B	Prosthodontic Technology Session: Integration of Clinical Practice and Dental Technology in the Digital-Intelligent Era – Prosthodontic Technology & Clinical Application	09:30-09:40	Opening Ceremony / Conference Address	Prof. Bin Cheng, President, Guangdong Stomatological Association Prof. Lili Chen, Dean, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital	Prof. Xinchun Zhang, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital / Prof. Bing He, School of Stomatology, Guangzhou Health Sciences Polytechnic / Chief Technician Xiaobin Zhu, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital) / Fellei Zhong, Technical Director, Shenzhen Kangtanjian Medical Technology Co., Ltd.
			09:40-10:20	Application of Digital Clinical-Technical Collaboration in Esthetic Dental Restoration after Cleft Lip and Palate Serial Treatment	Prof. Cui Huang, School and Hospital of Stomatology, Wuhan University	
			10:20-11:00	Digital Technology-Assisted Esthetic Dental Restoration	Prof. Yunsong Liu, Peking University School and Hospital of Stomatology	
			11:00-11:40	AI-Based Dental Morphology Reconstruction and Research & Development of Optical Bionic Technology and Systems	Prof. Jiefei Shen, West China Hospital of Stomatology, Sichuan University	
	2/F Conference Room 2	2026 Academic Forum of the Oral Health Alliance in the Guangdong-Hong Kong-Macao Greater Bay Area	11:40-12:20	Clinical-Technical Collaboration (Co-working on the Same Stage) in Digital Implantology	Prof. Yi Man, West China Hospital of Stomatology, Sichuan University / Yilin Luo, Shenzhen Jiahong Dental Medical Co., Ltd.	Organizer: Oral Health Alliance of Medicine, Healthcare & Big Health Committee of Guangdong Province Guangdong-Hong Kong-Macao Cooperation Promotion Association
			12:20-12:30	Closing Ceremony		
	2/F Meeting Room 201	Mengyapai Academic Forum on Innovative 3D Printing Technologies for Early Orthodontics in Children	09:30-12:30	2026 Academic Forum of the Oral Health Alliance in the Guangdong-Hong Kong-Macao Greater Bay Area	Lixiang Mai, Founder, Health Dental Medical Group	Organizer: Shenzhen Zhengui Technology Co., Ltd.
	2/F Meeting Room 203	Symposium on 3D-Printed Bone Graft Materials and Repair Technologies for Hard and Soft Tissues	09:30-09:40	Launch and Promotion of Hai'ao 3D Calcium-Silicon Bioceramic Oral Bone Graft Material	Kan Song, General Manager, Zhenghai Biotech	Organizer: Yantai Zhenghai Bio-Tech Co., Ltd. Moderators: Prof. Yufeng Zhang, School and Hospital of Stomatology, Wuhan University / Prof. Shulan Xu, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)
			09:40-10:30	Clinical Application of 3D-Printed Calcium-Silicon Bioceramic Repair Materials	Prof. Yulan Wang, Hospital of Stomatology, Wuhan University	
			10:30-11:20	Prevention and Treatment of Peri-implantitis	Prof. Shitong Xu, Guangzhou Retal Dental Hospital	
2/F Meeting Room 204	Collagen Empowered, Rapid Healing & Regeneration – Purgo's Optimal Osteogenesis Solution for Bone Regeneration	11:20-12:10	Safeguarding Implant Success: The Art and Science of Soft Tissue Augmentation	Prof. Chao Xie, School of Stomatology, Air Force Medical University	Organizer: Rogu Biological Materials (Shanghai) Co., Ltd. Moderator: Prof. Bin Shi, School and Hospital of Stomatology, Wuhan University	
		09:30-11:00	Efficient Application of Collagen Xenograft Bone Materials in Various Bone Defect Sites	Director Yong Seok CHO, Chungbuk National University Hospital		
1/F Meeting Room V3	Align Technology Session	09:30-11:00	Keynote Speech	Dr. Yong Zhao, Shenzhen Chenjing Dental Clinic	Organizer: Align Technology (Shanghai) Trading Co., Ltd.	
11:00-12:30	Keynote Speech	Dr. Lin Yang, Shenzhen Cien Dental				
2/F Meeting Room V5	Bacterial Control First, Dental Protection Fundamental: Clinical Practice of Plaque Management in Periodontology and Esthetic Restoration	10:30-11:30	Plaque Control-Oriented Non-Surgical Therapy for Periodontal and Peri-implant Diseases	Dongmei Jin, Chief Physician, Hangzhou Dental Hospital	Organizer: China Medical Tribune - China Dental Today Co-organizer: Philips (China) Investment Co., Ltd.	
		11:30-12:30	The Key Role of Plaque Management in Esthetic Restoration and Comprehensive Oral Therapy	Tongkai Xu, Associate Chief Physician, Peking University Hospital of Stomatology		
2/F Meeting Room V7	Aidite Session on Digital Inlay Restoration	10:30-12:30	Fabrication and Bonding of Digital Inlays	Rui Zhou, CEO, ZhouRui Education Technology Co., Ltd. / Dean, Xiqiao Dental Clinic	Organizer: Aidet (Qinhuangdao) Technology Co., Ltd.	
2/F Meeting Room V8	HeyGears Session	10:30-11:00	Development Process of Digital Complete Dentures: Realization of Integrated 3D Printing Technology	Hanbing Guang, Chief Technician, Affiliated Stomatological Hospital of Nanjing Medical University	Organizer: Shenzhen Haige Intelligent Manufacturing Information Technology Co., Ltd.	
		11:00-12:30	Clinical Value of Integrated 3D-Printed Complete Dentures in Machining Error Control	Prof. Zhe Wu, Affiliated Stomatological Hospital of Guangzhou Medical University		
Meeting Room V10, Pearl River Promenade	Straumann Symposium on Custom Abutments & Edentulous Jaw Scanning Systems	10:00-11:00	Application of Custom Abutments in Clinical-Technical Collaborative Cases	Xuanfei Fu, Chief Physician, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine	Organizer: Straumann (China) Investment Co., Ltd.	
		11:00-11:20	Straumann Custom Abutment Launch Ceremony			
		11:20-12:30	Indications and Applications of Custom Abutments in Clinical Prosthodontics	Yue Sa, Associate Chief Physician, Hospital of Stomatology, Wuhan University		
1/F Conference Room (Atrium)	University Presidents' Forum (Chancellor Forum)	09:30-10:30	World Cavity-Free Day: Entering Campuses Worldwide		Moderator: Prof. Jianping Geng, International Chinese Dentistry Association	
		10:30-11:30	Clinical Stomatology, Overseas R&D Achievements and Dental Industry Transformation			
1/F Hall A	Prosthodontic Case Analysis and Sharing Session*	11:30-12:30	Latest Achievements in AI Digitalization and the Four Modernizations of Dental Clinics	Commentary Guests: Prof. Haiyang Yu, West China College of Stomatology, Sichuan University / Prof. Chun Xu, the Ninth People's Hospital Affiliated to Shanghai Jiao Tong University School of Medicine / Prof. Cui Huang, School and Hospital of Stomatology, Wuhan University	Case Organizer & Moderator: Associate Chief Physician Hu Chen, Stomatological Hospital of Southern Medical University (Guangdong)	
		09:30-12:30	Advances in the Application of Organoid Technology in Head and Neck Cancer Research	Prof. Cai Zhiqiang, Peking University School and Hospital of Stomatology		
1/F Hall B	Oral and Maxillofacial Surgery Session*	09:30-10:15	Application of Distraction Osteogenesis in Oral and Maxillofacial	Prof. Songsong Zhu, The Affiliated Stomatology Hospital of Zhejiang	Moderators: Prof. Jinsong Hou, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital / Prof. Shuguang Liu, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)	
		10:15-11:00	Standardized Diagnosis and Treatment of Medication-Related	Prof. He Yue, Shanghai Ninth People's Hospital, Shanghai Jiao Tong		
		11:00-11:45	Digital Design for Orthognathic Surgery and Jaw Contouring	Prof. Hewen Dai, School of Stomatology (Affiliated Stomatology		

Afternoon of March 3

meeting room	Special Academic Lecture Session	Time	Topic	Speaker	Moderator	
2/F Conference Hall A	Forum on the Development of Stomatological Hospitals – Intelligent Innovation for the Future: High-Quality Development and Innovative Ecology of Stomatological Healthcare	14:00-17:00	Intelligent Innovation for the Future: High-Quality Development and Innovative Ecosystem of Oral Healthcare	Prof. Xulang Deng, Peking University Hospital of Stomatology Prof. Xudong Wang, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine Prof. Lina Liu, School of Stomatology, Air Force Medical University Prof. Zhengjun Shang, Hospital of Stomatology, Wuhan University	Moderator: Secretary Shangchun Ma, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)	
	2/F Conference Hall B	Academic Exchange Meeting on Dental Caries Prevention and Oral Health Management	14:00-14:45	Interpretation of the Guidelines for the Prevention and Treatment of Early Childhood Caries	Prof. Bin Xia, Peking University School and Hospital of Stomatology	Organizer: Chinese Dental Prevention and Treatment Foundation
		14:45-15:30	Application of Fluoride	Prof. Wensheng Rong, Peking University School and Hospital of Stomatology		
		15:30-16:15	Interceptive Treatment of Early Childhood Caries	Prof. Jun Wang, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine		
		16:15-17:00	Biological Management of Early Childhood Caries	Prof. Zou Jing, West China Hospital of Stomatology, Sichuan University		
	2/F Conference Hall C	NOG China Regenerative Young Talents Forum – South China Session: Special Session on Clinical Technology Sharing for Hard and Soft Tissue Regeneration	13:15-13:25	Opening Ceremony	Prof. Xiaoyu Yang, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)	Organizer: Osteology Foundation Conference Chair: Prof. Zhuofan Chen, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital Moderator: Prof. Xiaoyu Yang, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)
			13:25-13:35	Address	Prof. Zhuofan Chen, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital	
			13:35-13:50	Key Points of Regeneration in the Anterior Esthetic Zone	Prof. Liping Wang, Affiliated Stomatological Hospital of Guangzhou Medical University	
			13:50-14:05	Long-Term Cases of GBR in the Anterior Region	Dr. Lingling Gong, Changsha Stomatological Hospital	
			14:05-14:20	The Effect of Socket Preservation on Regeneration in the Esthetic Zone	Dr. Shuo Ma, Affiliated Stomatological Hospital of Guangxi Medical University	
14:20-14:35			Guest Comments and Discussion	Commentary Guests: Prof. Bo Feng, Changsha Stomatological Hospital / Prof. Haipeng Sun, Shenzhen Stomatological Hospital / Prof. Li Tang, Affiliated Stomatological Hospital of Guangxi Medical University / Prof. Jiming Wang, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital		
14:35-15:00			Introduction to Complex Bone Augmentation Techniques	Prof. Mingdeng Rong, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)		
15:00-15:15			Sausage Graft Cases	Dr. Jingyi Wu, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)		
15:15-15:30			Complex Bone Augmentation Cases	Dr. Chaoyang Luo, Delun Dental		
15:30-15:45			Guest Comments and Discussion	Commentary Guests: Prof. Bo Feng, Changsha Stomatological Hospital / Prof. Haipeng Sun, Shenzhen Stomatological Hospital / Prof. Li Tang, Affiliated Stomatological Hospital of Guangxi Medical University / Prof. Jiming Wang, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital		
2/F Conference Room 1	Aidite Session on Digital Implantology and Advanced Esthetics	15:45-16:10	The Importance of Soft Tissue in Maintaining Long-Term Implant Health	Prof. Baoxin Huang, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital	Organizer: Aidite (Qinhuangdao) Technology Co., Ltd.	
		16:10-16:25	Keratinized Gingiva Widening Cases	Dr. Wenguang Qin, Affiliated Stomatological Hospital of Guangzhou Medical University		
		16:25-16:40	Soft Tissue Thickening Cases	Dr. Shiyu Wu, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital		
		16:40-16:55	Guest Comments and Discussion	Commentary Guests: Prof. Bo Feng, Changsha Stomatological Hospital / Prof. Haipeng Sun, Shenzhen Stomatological Hospital / Prof. Li Tang, Affiliated Stomatological Hospital of Guangxi Medical University / Prof. Jiming Wang, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital		
		16:55-17:00	Closing Ceremony			
		14:00-15:00	The Key Factors for Natural Implant Reconstruction in the Esthetic Zone	Prof. Baoying Lin, National Taiwan University Hospital		
		15:00-16:00	Key Elements and Clinical Decision-Making Logic of Digital Complete Denture Restoration	Prof. Zhe Wu, Affiliated Stomatological Hospital of Guangzhou Medical University		
		16:00-17:00	Clinical Application of Digital Immediate Restoration	Prof. Weilai Liu, Tongji University School of Stomatology		
		14:00-17:00	Bulk Composite with Great Wisdom: Principles and Details of Bulk Fill Composite Application	Jinglin Liu, Jaxing Zhizhen Dental Clinic		
		13:30-17:00	Commentary Guests: Prof. Kaijin Hu, School of Stomatology, Xi'an Medical University / Prof. Jihong Zhao, School and Hospital of Stomatology, Wuhan University / Associate Prof. Yue Sa, School and Hospital of Stomatology, Wuhan University / Prof. Gang Chen, Youmu Training Center / Prof. Youchao Tang, Huizhou Stomatological Hospital / Prof. Lixin Qiu, The Fourth Clinic, Peking University School and Hospital of Stomatology	Chunyang Li, Tianjin Shengyu Aichi Dental Clinic		Organizer: Beijing Bonage Medical Technology Co., Ltd. Moderator: Attending Physician Lin Jie, Shenzhen Bao'an District People's Hospital
2/F Meeting Room 201	Bollan Zhongke Session	14:00-15:30	AI Full Crown and AI Submargin Intelligent Design Solution	Wang Didi, BLZ (Wuhan) Technology Co., Ltd.	Organizer: BLZ (Wuhan) Technology Co., Ltd.	
2/F Meeting Room 203	Face-to-Face with Masters: Clinical Decision-Making and Experience Sharing in Complex Implant Prosthodontics	14:00-17:00	Face-to-Face with Masters: Clinical Decision-Making and Experience Sharing in Complex Implant Prosthodontics		Organizer: Envista (Shanghai) Medical Devices Co., Ltd.	
2/F Meeting Room 204	Kuraray Session on Integrated Clinical and Technical Esthetic Restoration	14:00-15:30	Clinical-Technical Collaboration: Occlusal Relation Duplication and Transfer in Full-Mouth Functional-Esthetic Reconstruction	Prof. Jianguo Tan, Peking University School and Hospital of Stomatology / Xin Xu, General Manager, Zhenzhi (Dalian) Medical	Organizer: Kuraray International Trading (Shanghai) Co., Ltd.	
		15:35-16:20	The Unignored "Young Permanent Tooth Crisis": Current Status, Reflections and Updated Evidence-Based Intervention Strategies	Associate Prof. Wei Yin, West China Hospital of Stomatology, Sichuan University		
		16:20-17:05	Caries Prevention Beyond Fluoride: The Four-Dimensional Gold Standard for Precision Caries Prevention	Dr. Shaoping Yu, R&D Director, Colgate-Palmolive Technology Center (Asia Pacific)	Organizer: Colgate-Palmolive (China) Co., Ltd.	
2/F Meeting Room V5	Dentsply Sirona Prosthodontics Session (Circum 25th Anniversary & New Product Launch)	13:00-17:00	New Products & New Technologies Session		Organizer: Dentsply Sirona Dental Products (Shanghai) Co., Ltd.	
2/F Meeting Room V6	C-Root Academic Summit on Endodontics and Pulp Preservation in Pediatric Dentistry (Session 1)	14:00-15:00	Core Concepts and Technical Difficulties in Root Canal Treatment	Prof. Ming Xue, School of Stomatology, China Medical University	Prof. Ming Xue, School of Stomatology, China Medical University	
		15:00-16:00	Vital Pulp Therapy for Carious Teeth	Prof. Jun Wang, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine		
		16:00-17:00	Root Canal Filling Techniques and Key Clinical Procedures	Director Ni Na, Stomatological Hospital of Nankai University		
2/F Meeting Room V7	Thommen Implantology Special Lecture	14:00-14:45	Current Trends in Dental Implantology: Risk Management in Implant Therapy	Lixin Qiu, Chief Physician, The Fourth Clinic, Peking University School and Hospital of Stomatology	Organizer: Shanghai Yujing Trade Co., Ltd.	
		14:45-15:30	Clinical Experience and Details of Implant Rehabilitation in Edentulous Diabetic Patients	Yingliang Song, Chief Physician, School of Stomatology, Air Force Medical University (Fourth Military Medical University)		
		15:30-16:15	Margin Secrets: Margin Preparation Strategy and Biologic Width Achievement in Fixed Prosthodontics	Ke Zhao, Chief Physician, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital		
		16:15-17:00	Tango on the Abyss: Dancing with the Pulp Chamber in the Dental	Haozhua Wang, Attending Physician, Guangzhou Noon Dental Clinic		
2/F Meeting Room V8	HeyGears Session	14:00-15:30	Advantages and Clinical Application of Model Casting Without	Yanlin Sheng, Technical Director, Yangzijing Dental Equipment Co.	Organizer: Shenzhen HeyGears Intelligent Manufacturing Information	
		15:35-17:05	Coronal Restoration Considerations Before and After Endodontic Treatment	Prof. Hongwei Jiang, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital	Organizer: Jining Deka Medical Devices Co., Ltd.	
Meeting Room V10, Pearl River Promenade	Straumann Symposium on Custom Abutments & Edentulous Jaw Scanning Systems	14:00-15:30	Fully Digital Edentulous Workflow and Application of Digital Edentulous Jaw Scanning	Chief Physician Yang Xiaoyu, Stomatological Hospital of Southern Medical University (Guangdong Provincial Stomatological Hospital)	Organizer: Straumann (China) Investment Co., Ltd.	
		15:30-15:45	Straumann Digital Partner Award Ceremony			
		15:45-17:15	Advantages of Digital Edentulous Jaw Scanning in Immediate Rehabilitation	Yingyun Tan, Associate Chief Physician, Chongqing Hemu Dental		
1/F Conference Room/atrium	Sani Session	13:30-15:00	Causes and Management of Root Canal Treatment Failure	Xiangya Huang, Associate Chief Physician, Guanghua School of Stomatology, Sun Yat-sen University & Affiliated Stomatological Hospital	Organizer: Chengdu Sani Medical Devices Co., Ltd.	
		15:00-16:00	Root Canal Retreatment Strategies and Typical Case Analysis	Jing Xue, Associate Chief Physician, West China Hospital of Stomatology, Sichuan University		
		16:00-17:00	Persistent Pain After Root Canal Treatment: Causes and Clinical Management	Prof. Chengfei Zhang, Faculty of Dentistry, The University of Hong Kong Prof. Shengchao Wang, School of Stomatology, Air Force Medical University		
1/F Hall A	MedWorks Session on Microscopic Endodontics	14:00-15:00	Possibilities and Considerations of Periodontal Hard and Soft Tissue Augmentation	Prof. Yaping Pan, School of Stomatology, China Medical University	Organizer: Shanghai Miwo Precision Instruments Co., Ltd.	
1/F Hall B	Periodontology Session*	15:00-16:00	Application of Specialized Periodontal Techniques in the Management of Gingival Papillary Defects in the Esthetic Zone	Prof. Wenjie Wu, Peking University Hospital of Stomatology		
		16:00-17:00	Pros and Cons of Tunnel Technique Combined with CTG in Clinical Practice	Prof. Dongying Xuan, Hangzhou Stomatological Hospital		

Canton Fair Convention Centre (Area D of Canton Fair Complex)

Morning of March 4

Meeting Room	Special Academic Lecture Session	Time	Topic	Speaker	Moderator
2/F Conference Hall A	Private Oral High Quality Innovation Development Seminar Breaking the deadlock and symbiosis: the high-quality development path of private dental industry in the era of centralized procurement —Addressing the revolutionary competition and exploring new paradigms for sustainable growth	09:00-09:10	Meeting Opening	Prof. Haiping Lu, Vice President of the Chinese Stomatological	Host: Private Oral Medicine Branch of the Chinese Stomatological Association
		09:10-09:50	Analysis of the Implementation of Pricing Projects for Oral Medical Services and Response Strategies for Private Oral	Prof. Wei Zhang, Peking University Stomatological Hospital	
		09:50-10:30	The essence and breakthrough point of "revolution" in the oral industry: from price competition to value based healthcare	Prof. Baqie He, Henan SATH Hospital of stomatology	
		10:50-12:00	Panel Discussion: Survival and Development of Private Oral: Differentiation Path between Small and Medium sized Institutions and Chain Groups	Head of a chain dental group, representative of regional boutique clinics, industry investor	
2/F Conference Hall B	Breaking through the dome of disciplines: a multidisciplinary global perspective on dentistry from the perspective of the chairman	09:30-12:30	breaking through the dome of disciplines: a multidisciplinary global perspective on dentistry from the perspective of the chairman		
2/F Conference Hall C	2026 The Belt & Road Stomatology Conference	09:00-09:55	Opening Ceremony		Prof. Wang Yan Dr. Jerry Wong Chon Kit
			Implant Soft Tissue Management in the Esthetic Zone: The Platform Technique	Prof. Yi Man (China)	
			Subgingival oral microbiota of a selected Malaysian population in relation to health and disease	Asso Prof. Cheah Chia Wei (Malaysia)	Prof. Huang Yue Malaysian Guest
		09:55-12:50	Modern aspects of complex treatment and rehabilitation of patients with benign neoplasms of the upper jaw Low-Level Laser Therapy (LLLT): A Conservative Approach to TMD Pain Management Academic Speech	Prof. Astashina Natalia (Russia) Asso Prof. Lim Ghee Seong (Malaysia) Dr. Mariusse Chars R. Esquillo (Philippines)	Dr. Eugene Tang Dr. Adirek S. Wongsa
2/F Conference Room 1 A	XIHUBIOM Orthodontics Special Session	09:20-09:30	Opening Address	Prof. Lili Chen, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University Prof. Yang Cao, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Host: Weical Wang, Associate Chief Physician, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University
		09:30-10:30	A Brief Discussion on Personalized Corrective Treatment Strategies for prognathism	Prof. Yan Liu, Peking University Hospital of Stomatology	
		10:30-11:30	Consideration of temporomandibular joint in orthodontic treatment	Ning Zhao, Chief Physician, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine	
		11:30-12:30	Biomechanical basis of overall intrusion the upper dentition for correcting gummy smile	Dr. Yongwen Guo, Chief Physician, West China Hospital of Stomatology, Sichuan University	
2/F Conference Room 1 B	Symposium on Implant Surgery and Prosthetic Rehabilitation for Complex Cases	09:00-09:15	Patients' Needs Are Our Professional Goals	Prof. Dr. Piet Haers	Michael Ma, Chairman
		09:15-09:35	Application of Digital Surgical Techniques in Complex Cases	Prof. Ye Lin	
		09:35-09:55	The Future of Dental Implantology: Are We at a Crossroads or a Turning Point of Digital Transformation Today?	Dr. James Chow	Prof. Yiqun Wu / Dr. Xi Jiang
		09:55-10:15	Full-Arch Digital Implant Workflow	A/Prof. Wei Ma	
		10:15-10:35	Sandwich Bone Grafting - A Novel Surgical Technique for Horizontal Ridge Augmentation in Implant Dentistry	Prof. Halbin Xia	Prof. Yi Man / Prof. Zhuofan Chen
		10:35-10:45	圆桌讨论 Panel Discussion	Prof. Ye Lin / Dr. James Chow / A/Prof. Wei Ma / Prof. Halbin Xia	
		10:55-11:15	2-20 Year Review of Navigated Zygomatic Implantology	Prof. Yiqun Wu	A/Prof. Wei Ma / Prof. Halbin Xia
		11:15-11:35	Complication management in complex full arch rehabilitation	Dr. Xi Jiang	
		11:35-11:55	Combined Prosthetic Rehabilitation of Mandibular Defects with Reconstruction and Restoration of Jaw and Dentition Defects: From Freehand to Digitalization — The Guanghua Experience	Prof. Yi Man	
		11:55-12:15	Panel Discussion	Prof. Zhuofan Chen	Prof. Ye Lin / Dr. James Chow
		12:15-12:25	Panel Discussion	Prof. Yiqun Wu / Dr. Xi Jiang / Prof. Yi Man / Prof. Zhuofan Chen	
		12:25-12:30	Close	Prof. Ye Lin	
2/F Meeting Room 201	Dental Medical Devices EU MDR Registration Compliance	09:30-10:30	EU MDR certification requirements	Xiaodong Zhang, Medical Device Certification Director, China Region, Eurofins Scientific Group	Organizer: Beijing Qiminer Information Consulting Co., Ltd.
		10:30-11:30	Key points for writing clinical evaluation of MDR medical devices	Xing Liang, Medical Department Director, Beijing Qiminer Information Consulting Co., Ltd.	
		11:30-12:30	Application and Practice of Chemical Characterization of Dental Product Materials	Liyuan Cheng, Chemical Laboratory Technical Expert, Jianguo Kerbio Medical Technology Group Co., Ltd.	
2/F Meeting Room 203	Root Canal Preparation Clinical Technology Summit: Breaking Through the Bottleneck of Curved and Calcified Canals, Optimizing Access Establishment Protocols	09:30-10:30	Physical Principles and Clinical Applications of Root Canal Preparation	Li Li, General Hospital of Northern Theater Command	Organizer: Henry Schein China
		10:30-11:30	Calculated Root Canal Conquest Guide: Clinical Pathways from Diagnosis to Mastery	Ren Li, the Affiliated Stomatological Hospital of North China University of Science and Technology	
		11:30-12:30	Techniques for using nickel titanium instruments for machinery and measures to prevent instrument separation	Dr. Ruiming Feng, Stomatological Hospital of Shanxi Medical University	
2/F Meeting Room 204	Swiss Coltene Session	09:30-11:00	Local Digital Veneers vs Prep-Free Veneers	Shirong Ren, Associate Chief Physician, Ningbo Dental Hospital	Organizer: Coltene/Whaledent Dental Trade (Beijing) Co., Ltd.
11:00-12:30	Application and Techniques of Crown-Root Integrated Restoration in Tooth Preservation Therapy	Wenjuan Yan, Chief Physician, Nanfang Hospital, Southern Medical University			
1/F Meeting Room V3	Leading the Future of Digital Dentistry: Deep Analysis of SprintRay's Full Application Scenarios	09:30-10:30	Construction of a Digital Removable Denture Closed-loop System: Design Optimization and Clinical Validation	Prof. Shizhu Bai, School of Stomatology, Air Force Medical University	Organizer: Zhejiang SprintRay Technology Co., Ltd.
		10:30-11:30	seizing the New Blue Ocean of Digital Dentistry: Mastering Medas Chair 3D Printing, Opening the Second Curve of Clinic Growth	Lecturer from Taiwan, China	
		11:30-12:30	Digital 3D printing facilitates the implementation of predictable diagnosis and treatment in dentistry	Dr. Lu Jun, Chief Physician, the Affiliated Hospital, Nantong University	
2/F Meeting Room V5	Good Dentist Seminar	09:30-09:40	Opening Address		
		09:40-10:10	Clinical Practice Characteristics of General Dentists and Dental Application and Reflection of General Oral Made in the Diagnosis and Treatment of Temporomandibular Joint Disorder	Prof. Hongchen Liu, Institute of Stomatology, Chinese PLA General Hospital Prof. Qingbin Zhang, Hospital of Stomatology, Guangzhou Medical University	
		10:10-10:40	Considerations for the selection of anterior tooth aesthetic restoration options	Prof. Longquan Shao, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	
		11:10-11:40	Design and Reflection on the Comprehensive Treatment Plan for Oral Restoration	Prof. Wei Teng, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	
2/F Meeting Room V6	ZUMAX Medical Session	11:40-12:10	Digital Complete Dentures achieve aesthetic and precision	Changjun Guan, Courage Medical Devices Co., Ltd.	Organizer: Suzhou ZUMAX Medical Technology Co., Ltd.
09:30-11:00	New Concepts in Minimally Invasive Root Canal Treatment	Prof. Bin Fang, Wuhan university			
2/F Meeting Room V7	MORITA Session	09:30-11:00	Iatrogenic failure in root canal treatment (2)	Prof. Qi Zhao, Peking University Hospital of Stomatology	Organizer: MORITA Medical Devices (Shanghai) Co., Ltd.
11:00-12:30	Reading Logic and Treatment Strategies for Oral Imaging	Prof. Hu Wang, Formerly West China Hospital of Stomatology, Sichuan University			
2/F Meeting Room V8	Ultradent Session	09:30-10:45	Analysis of Related Issues in Root Canal Flushing and Root Canal Sealing	Prof. Hongwei Jiang, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Organizer: Guangzhou Ultradent Medical Devices Co., Ltd.
10:45-12:00	Aesthetic Restoration Adhesive Strategies, Progress, and Techniques	Chemmin Yao, Associate Chief Physician, Stomatological Hospital of Wuhan University			
Meeting Room V10, Pearl River Promenade	American HIOSSEN ETIII NH "Calcium" Implant New Product Launch Seminar	12:00-12:30	How to achieve 1+1>2 dual effect whitening of teeth	Dr. Lijie Yu, Clinical Technology Director, Ultradent Products Inc., USA.	Organizer: Ostem (Shenzhen) Trading Co., Ltd.
1/F Conference Room(Atrium)	Dental pulp case analysis sharing session*	09:30-12:30	Commentators: Prof. Lin Yue, Peking University Hospital of Stomatology / Prof. Qing Yu, School of Stomatology, Air Force Medical University / Prof. Benxiang Hou, Beijing Stomatological Hospital, Capital Medical University / Prof. Xi Wei, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University		Organizer and Chair of Cases: Prof. Benxiang Hou, Beijing Stomatological Hospital, Capital Medical University / Prof. Dandan Ma, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)
1/F Hall A	Occlusion Session	09:30-10:30	Multidisciplinary orthodontic combined treatment under the	Prof. Xiaohui Fan, School of Dentistry, University of Medical Sciences	Prof. Zhe Wu, Associate Chief Physician, Hospital of Stomatology, Guangzhou Medical University/ Yueye Zhao, Associate Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)
		10:30-11:30	The Integration of Function and Aesthetics in Full-Mouth reconstruction via Digital Pathways	Prof. Weical Liu, Shanghai Stomatological Hospital, Tongji University	
		11:30-12:30	Considerations in the Design and Control of Jaw Position	Xueyang Zhang, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	
Shangri-la Hotel	3/F Dinghu Hall	The 11th Meeting of the 7th Council of the China Oral Health Foundation	09:00-12:00	The 11th Meeting of the 7th Council of the China Oral Health Foundation	

Afternoon of March 4

Meeting Room	Special Academic Lecture Session	Time	Topic	Speaker	Moderator	
2/F Conference Hall A	Private Oral High Quality Innovation Development Seminar Breaking the deadlock and symbiosis: the high-quality development path of private dental industry in the era of centralized procurement —Addressing the evolutionary competition and exploring new paradigms for sustainable growth	13:30-14:10	Digital Transformation: Efficiency Improvement & Patient Experience Optimization for Private Dental Practices	Founder of Oral Digitalization Enterprise/Smart Healthcare Expert	Organizer: Private Stomatology Branch of Chinese Stomatological Association	
		14:10-14:50	Medical Quality and Brand Trust: Building the Core Competitive Moat for Private Dental Practices	Oral Health Quality Control Expert/Consumer Behavior Researcher		
		15:10-16:30	Panel Discussion: The Future Ecosystem of the Dental Industry: Cross-border Integration and Exploration of New Models	Representatives of internet healthcare platforms; Heads of insurance companies, Founders of dental clinics, and cross-industry		
		16:30-17:00	Closing Summary and Outlook	Xuefeng Chen, Chairman of the Private Dental Branch, Chinese Stomatological Association		
2/F Conference Hall B	Wego Session	14:00-15:00	Pathogenic Factors, Preventive Strategies, and Systematic Management of Peri-implantitis	Prof. Shulan Xu, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	Organizer: Weihai WEGO Jericom Biomedical Materials Co., Ltd.	
		15:00-16:00	Digital Strategies and Clinical Innovations in Implant Rehabilitation of completely edentulous	Associate Prof. Yue Sa, Stomatological Hospital, Wuhan University		
2/F Conference Hall C	2026 The Belt & Road Stomatology Conference	16:00-17:00	Procedures and clinical tips for dealing with loose dental crowns	Prof. Yi Man, West China Hospital of Stomatology, Sichuan University	Dr. Chan Chiu Yee Malaysian Guest	
		14:00-17:30	Obstructive Sleep Apnoea: Treating Patients with Airway in Mind Academic Speech Graftless Sinus Lift - Minimum intervention, maximum regeneration Precision Biomechanics in Fixed Orthodontic Camouflage of Class III Malocclusions The Restorative Domino Effect Academic Speech	Asso. Prof. Lau May Nak (Malaysia) Dr. Maxstein M. Abuzaid (United Arab Emirates) Asso. Prof. Daniel Lim (Malaysia) Prof. Anand Maya (Cambodia) Dr. Arlatha Arimuthu (Malaysia) TBD (Tentatively: Prof. Lijian Jin, Hong Kong, China)		
2/F Conference Room 1 A	Sharing of Clinical Practical Techniques in Alveolar Surgery & Launch of JINME Medical Agile Dental Clinic New Products	14:00-15:30	Sharing of Clinically Practical Techniques in Oral Alveolar Surgery	Prof. Kajin Hu, School of Stomatology, Xi'an Medical University	Organizer: Guangdong JINME Medical Technology Co., Ltd.	
2/F Conference Room 1 B	Pan-Greater Bay Area Stomatology Quality Control Forum	15:30-16:30	Application of the Agile Dental Clinic in the Department of Preventive Dentistry	Jiaming Zhang, Chief Physician, Foshan University of Hospital of Stomatology (Foshan Stomatological Hospital)		
2/F Conference Room 2	General Practice Orthodontics (Smart General Dentistry + Digital Intelligence - Efficient Orthodontics)	16:30-17:00	Sharing of Clinical Applications in Agile Dental Clinic	Jiaonan Pan, Associate Chief Physician, Guangxi Lingnan Dental Clinic	Organizer: Guangzhou DSMille Medical Management Co., Ltd.	
		14:00-14:45	Pan-Greater Bay Area Stomatology Quality Control Forum	14:00-17:00		Pan-Greater Bay Area Stomatology Quality Control Forum
		14:00-14:45	Digital technology enhances efficient orthodontic treatment	Peijia Duan, Chief Physician, DS Orthodontic Center & Founder of Align Plus Dental Clinic		
		14:45-15:30	Orthodontic Management by General Practitioners Starting from Childhood: Strategies for Early Intervention	Ziran Jiang, Attending Physician, DS Senior Lecturer		
2/F Meeting Room 201	Thales Session	15:30-16:15	Efficient Management of the Full Treatment Process in Clear Aligner Therapy	Hang Tang, DS Senior Lecturer	Organizer: Hangzhou Thales Medical Technology Co., Ltd.	
		16:15-17:00	High-Efficiency Orthodontic Clinical Practice Guide	Wulin He, Associate Chief Physician, Head of DS Teaching and Research Department		
2/F Meeting Room 203	BioRes Oral Implant Expert Seminar – Immediate Implant Technology and Complication Prevention	14:00-17:00	Digital Intelligence Empowerment, Synergy between Periodontology and Prosthodontics: A Novel Strategy for Natural Tooth Preservation Using 3D-Printed Zirconia	Prof. Dongying Xuan, Hangzhou Stomatology Hospital	Organizer: Chengdu BESMLE Medical Technology Co., Ltd. Host: Associate Prof. Xiaolin Yu, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	
		14:00-15:00	Clinical tips for immediate implantation of anterior teeth	Prof. Yi Man, West China Hospital of Stomatology, Sichuan University		
		15:00-15:15	Immediate Implantation, The Ultimate Stable Choice—New Launch of BioRes BLV Series Implants	Jingya Ling, Product Manager		
2/F Meeting Room 204	National Medicines Prospect Dentech Session	15:15-16:05	Analysis of Advantages and Disadvantages & Clinical Strategies for immediate placement and loading of dental implants used in patients with severe periodontitis	Mingdeng Rong, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	Organizer: National Medicines Prospect Dentech (Beijing) Co., Ltd.	
		16:05-17:00	Keynote Speech	Zhipeng Li, Associate Chief Physician, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen		
1/F Meeting Room V3	Precise Detection, Emphasis on Prevention— Precise Diagnosis and Prevention of Oral Diseases Innovative Forum	14:00-15:20	Clinical Advances and Application Practices in Comfortable Treatment in Oral and Maxillofacial Surgery	Xianwen Liu, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	Organizer: Henry Schein China - Dr. Guste Session	
		15:20-16:00	The Relationship Between Periodontal Health and Diabetes	Jie Chen, Project Manager of SUNSTAR International Trade (Shanghai) Co., Ltd.		
		16:00-17:00	Management of the Diagnosis and Treatment Process for Patients with Severe Periodontitis	Prof. Dongying Xuan, Hangzhou Stomatology Hospital		
		13:50-14:00	Opening Address	Mike Covy, Vice President of Henry Schein Asia Pacific Zhenming Zhang, Vice President and Managing Director of Henry Schein China Bo Wang, Chief Development Advisor of China Oral Health Foundation		
2/F Meeting Room V5	The 12th Interdisciplinary Case Exhibition for Excellent Dentists – South China Station	14:00-14:05	Address by Guest		Organizer: Shenzhen LANDO BIO Co., Ltd.	
		14:05-14:55	Envisioning the Future of Oral Health Services: A Novel Intelligent Healthcare Model Beginning with Precision Testing, Examination, and Diagnosis and Culminating in Long-Term Health Maintenance from Accurate Diagnosis to Prevention Implementation: Differentiated Competitive Pathways for Private Dental Institutions	Liang Han, Dean of Beijing Daxing Xingye Stomatological Hospital		
		14:55-15:45	The Future of Precise Dental Diagnosis through IVD	Ling Zhou, Dean of Shenzhen Huja Parent-Child Dental Medical Group Prof. Zhaozhong Zhang, School of Life Sciences and Technology, Shanghai Tongji University		
		15:45-15:55	Topic: Precise Detection, Emphasis on Prevention— Precise Diagnosis and Prevention of Oral Diseases Innovative Forum			
2/F Meeting Room V6	Dental Implant Session*	15:55-17:00	Proposed Discussion Topics: 1. Closed-Loop Oral Health Management Across the Life Course: Strategies for Optimizing the Full-Care Pathway from Precision Prevention to Minimally Invasive Treatment 2. Current Status of Disease Prevention in China and Strategies for Breakthroughs 3. China-Japan Mutual Learning in Oral Health Service Models: Localized Innovation Pathways from Precision Prevention to Minimally Invasive Treatment 4. Hot Topic: Sharing on Oral Preventive Technologies 5. Restructuring Private Dental Service Models: A Differential Diagnosis and Treatment Breakthrough Strategy Centered on Precision Prevention 6. Capturing the "Seniors and Children" Market Opportunity: Precision Prevention and Personalized Minimally Invasive Treatment Protocols for Pediatric and Geriatric Populations 7. Standardizing Home-Based Oral Preventive Care: The Full Workflow from Clinical Guidance to Patient Implementation 8. Key Points and Practical Sharing on Improving Prevention Capabilities of Primary-level Dental Institutions: How Community Health Centers and Maternal and Child Health Hospitals Implement Projects	Bo Wang, Chief Development Advisor of China Oral Health Foundation / Wensheng Rong, Chief Physician and Secretary-General of China Oral Health Foundation / Liang Han, Dean of Beijing Daxing Xingye Stomatological Hospital / Wen'an Xu, Chief Physician, Shenzhen Stomatological Hospital, Southern Medical University / Juan Huang, Founder of Gaidi Stomatology / Ling Zhou, Dean of Shenzhen Huja Parent-Child Stomatological Medical Group / Yang Wu, Founder of the China-Japan Friendship Preventive Dentistry Association	Organizer: Jiaxing Accbio Medical Laboratory Co., Ltd.	
		14:00-15:00	Space Maintenance Strategies for Bone Augmentation in the Esthetic Zone	Prof. Hongchang Lai, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine		
		15:00-16:00	Advances and Clinical Tips for Transalveolar Crestal Elevation	Prof. Yi Man, West China Hospital of Stomatology, Sichuan University		
		16:00-17:00	Intelligent Management of Regenerative Treatment for Peri-implantitis	Prof. Shulan Xu, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)		
2/F Meeting Room V7	MRC Session	14:00-15:30	Three-Dimensional Assessment of Dento-Skeletal-Muscular Factors in Primary Crossbite and Early Orthodontic Intervention	Prof. Fang Huang, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Organizer: MRC - Myofunctional Research (Shanghai) Co., Ltd.	
2/F Meeting Room V8	Orthodontics Session	15:30-17:00	New Products and Technologies Session	Prof. Yang Cao, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Organizer: Shenzhen LANDO BIO Co., Ltd.	
		14:00-15:00	Discussion on Three-Dimensional Control in Orthodontic Treatment	Prof. Jun Wang, West China Hospital of Stomatology, Sichuan University		
Meeting Room V10, Pearl River Promenade	LANDO BIO Session	15:00-17:00	2026 Orthodontic Case Competition Conference and Award Ceremony	Prof. Fang Jin, Hospital of Stomatology, The Fourth Military Medical University Prof. Yang Cao, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University Prof. Qi Chen, Peking University School of Stomatology	Technical Host: Prof. Yongjie Fan, The Fourth Affiliated Hospital of Inner Mongolia Medical University	
1/F Conference Room (Atrium)	Orthodontic Case Analysis & Sharing Session*	14:00-15:00	Commentator: Prof. Zuolin Jin, Shenzhen Stomatology Hospital of Southern Medical University Prof. Ding Bai, West China School of Stomatology, Sichuan University Prof. Yi Zheng, Zhuhai Smile Dental Clinic Prof. Huang Li, Nanjing Stomatological Hospital, Medical School of Nanjing University		Organized and chaired the case discussion: Chufeng Liu, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	
		16:30-17:10	Global Classic Orthodontics Books Launch	Launch Ceremony for the Chinese Edition of Orthodontics: Current Principles and Techniques (7th Edition), a Global Classic in Orthodontics	Prof. Xinquan Jiang, Shanghai Stomatological Hospital, Fudan University	
1/F Hall A	Restorative Dentistry Session*	14:00-15:00	Digital Intelligence Empowerment, Precise Shaping: The Digital Transformation and Clinical Practices of Oral Prosthesis Technology	Prof. Xinquan Jiang, Shanghai Stomatological Hospital, Fudan University	Yuan Su, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	
		15:00-16:00	The Application of AI in Prosthodontics	Prof. Yongsheng Zhou, Peking University Hospital of Stomatology	Wenjing Liu, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	
		16:00-17:00	3D Printing Zirconia – From Theory to Practice	Prof. Yan Wang, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University		

Canton Fair Convention Centre (Area D of Canton Fair Complex)

Morning of March 5

Meeting Room	Special Academic Lecture Session	Time	Topic	Speaker	Moderator		
2/F Conference Hall A	Seminar on New Advances in Diagnosis and Treatment of Temporomandibular Disorders (TMD)	09:30-09:40	Opening Ceremony		Prof. Qingbin Zhang, Hospital of Stomatology, Guangzhou Medical University		
		09:40-09:50	Launch Ceremony for the New Book and the Group Standard for Occlusal Splints		Rong Zhang, Chief Physician, Hospital of Stomatology, Guangzhou Medical University		
		09:50-10:20	Keynote Speech	Prof. Liu Hongchen, First Medical Center of Chinese People's Liberation Army General Hospital	Associate Prof. Liangjiao Chen, Hospital of Stomatology, Guangzhou Medical University		
		10:20-10:50	Keynote Speech	Prof. Chi Yang, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine			
		11:00-11:30	Keynote Speech	Prof. Kaiyuan Fu, Peking University Hospital of Stomatology			
		11:30-12:00	Temporomandibular Joint (TMJ) Issues in the Treatment of Mandibular Deviation	Prof. Lei Tian, Hospital of Stomatology, Air Force Medical University	Dr. Wei Cao, Hospital of Stomatology, Guangzhou Medical University		
		2/F Conference Hall B	Nursing Session*	09:10-09:55	Clinical Topic Selection Skills for Oral Care Research	Prof. Lili Hou, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine	Jianchun Zhang, Associate Chief Nurse, The Stomatology Hospital, Zhejiang University School of Medicine
				09:55-10:40	In-depth Analysis of the Research Trends in Digital Oral Care in Digital Management of High-Value Consumables in Stomatology Specialties	Li Wang, Chief Nurse, Stomatological Hospital of Wuhan University, Wenzhen Gu, Chief Nurse, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Zhejiang University School of Medicine
				10:40-11:25	A Brief Discussion on Applying for and Writing Nursing Group Standards	Yarong Hou, Chief Nurse, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	Ying Liao, Chief Nurse, Guangxi Medical University College of Stomatology
				11:25-12:10			
		2/F Conference Room 1 A	ITI Joint Salon Event	09:30-10:30	Together We Advance: My Growth Story with ITI	Xun Ding, Faculty of Dentistry, The University of Hong Kong	Prof. Zhoufan Chen, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University
				10:30-11:10	Offense and Defense in Immediate Implantation in the Esthetic Zone	Baoxin Huang, Chief Physician, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Jiangping Li, Chief Physician, Zhongshan Stomatological Hospital
				11:10-11:50	Spatiotemporal Considerations of the Emergence Profile in Immediate Implantation in the Esthetic Zone	Prof. Hapeng Sun, Chief Physician, Shenzhen Stomatological Hospital	Liping Wang, Chief Physician, Hospital of Stomatology, Guangzhou Medical University
				11:50-12:30	Intraoperative Complications and Risk Prevention in whole-course guide plate Implantation Surgery	Xiaoyu Yang, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	
		2/F Conference Room 1 B	Mucogingival Era, Stable Implantation & New Regeneration—Symposium on Innovative Applications of Soft Tissue Repair	09:30-10:30	Complications and treatment errors in Peri-implant Soft-tissue Replication management	Bo Zou, Associate Chief Physician, MALO CLINIC	Organizer: NEO MODULUS (Suzhou) Medical Technology Co., Ltd.
10:30-11:30	Surgical Techniques and Materials Review for Peri-implant Keratinized Gingiva Widening			Dr. Peng Wan	Min Nie, Associate Chief Physician, Hospital of Stomatology, Guangzhou Medical University		
11:30-12:30	Techniques, Instruments and Protocols for Attached Gingival Augmentation in the Mandibular Posterior Region			Shaohong Li, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)			
2/F Conference Room 2	Children's Oral Health Session*	09:30-10:30	Prevention and Management of Dental Erosion	Prof. Youguang Lu, Stomatological Hospital, Fujian Medical University			
		10:30-11:30	Management of Traumatic Injuries to Primary Teeth from a Preventive Perspective	Prof. Shu Zheng, Peking University Hospital of Stomatology	Prof. Huancai Lin, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University		
		11:30-12:30	Quantitative Text Research and Interpretation of China's Oral Public Health Policies	Xueman Liu, Associate Researcher, Peking University Hospital of Stomatology	Fei Ren, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)		
2/F Meeting Room 201	Prevention Session*	09:30-10:30	Prevention and Management of Dental Erosion	Prof. Youguang Lu, Stomatological Hospital, Fujian Medical University			
		10:30-11:30	Management of Traumatic Injuries to Primary Teeth from a Preventive Perspective	Prof. Shu Zheng, Peking University Hospital of Stomatology	Prof. Huancai Lin, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University		
		11:30-12:30	Quantitative Text Research and Interpretation of China's Oral Public Health Policies	Xueman Liu, Associate Researcher, Peking University Hospital of Stomatology	Fei Ren, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)		
2/F Meeting Room 203	PROTECT Session		Host Opening Remarks				
			Leader's Address				
			Address by the Representative of the Expert Delegation				
2/F Meeting Room 204	Multidisciplinary Joint Case Analysis and Sharing Session*	09:00-12:35	Guest Critics	Prof. Xingxing Lin, School of Stomatology, Zhejiang Chinese Medical University	Organizer: Zhejiang PROTECT Medical Devices Co., Ltd.		
			Prof. Gang Shen, Talkang Bybo Dental Medical Group				
			Prof. Dawei Wang, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University				
2/F Meeting Room 205	Symposium on Implant Aesthetics, Dental, Maxillofacial and Facial Medical Aesthetics Branch of Chinese Association of Plastics and Aesthetics	09:30-10:00	Opening Ceremony & Address	Prof. Liangjiao Chen, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Organizer: Dental and Maxillofacial Medical Aesthetics Branch of Chinese Association of Plastic and Aesthetic Surgery		
		10:00-12:00	Special Session – Soft Tissue Esthetic Reconstruction in Implant Therapy	Prof. Jianguo Tan, Peking University Hospital of Stomatology	Host: Prof. Wei Teng, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University		
			Prof. Zetao Chen, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Prof. Longquan Shao, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)			
2/F Meeting Room 206	Hong Kong University Endodontics Specialized Training Course – Clinical Exploration and Management Strategies for Calcified Root Canals	09:30-10:10	Evaluation and Decision-Making for Calcified Root Canals	Prof. Jianfeng Zhou, Peking University Hospital of Stomatology	Prof. Qingbin Zhang, Hospital of Stomatology, Guangzhou Medical University		
		10:10-11:00	Instrumentation and techniques for managing calcified root canals and their preparation	Prof. Zetao Chen, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	Prof. Jianchun Zhang, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University		
		11:00-11:40	Demonstration of Dredging Calcified Root Canals Under a	Prof. Jiang chen, Hospital of Stomatology, Fujian Medical University			
2/F Meeting Room 207	A1 Session	09:30-10:10	Trainers' practical operations	prof. Mingxin Hu			
		09:30-12:30	Key Factors for Orthodontic Mini-Implant Placement and Its Biomechanical Mechanisms	Guoliang Gong, Associate Chief Physician, Hangzhou Yaboyi Orthodontic Center	Organizer: Guangzhou Brace Medical Technology Co., Ltd.		
		09:30-11:00	Root Canal Retreatment: Treatment Planning and Key Techniques	Prof. Xi Wei, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University			
2/F Meeting Room 208	C-Root Academic Summit on Endodontics and Pulp Preservation in Pediatric Dentistry (Session 2)	11:00-12:30	Clinical Practice of Pulp Preservation Treatment for Irreversible Pulpitis in Adults	Prof. Wenxi He, Air Force Specialized Medical Center of the Chinese People's Liberation Army	Prof. Wenxi He, Air Force Specialized Medical Center of the Chinese People's Liberation Army		
Meeting Room V10, Pearl River Promenade	Over the Hills: Clinical Decision-Making and Turning Points in Orthodontics	09:30-12:30	Beyond the Hurdles: Treatment Decisions and Dramatic Turnarounds in Clinical Orthodontics				
1/F Hall A	Dental Implant Case Analysis and Sharing Session*	09:30-12:30	Guest Critics: Prof. Baohong Zhao, Hospital of Stomatology, China Medical University; Assoc. Prof. Chao Xie, Hospital of Stomatology, Air Force Medical University; Junyu Shi, Assoc. Chief Physician, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine; Mingdeng Rong, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	Organized and presided over the case: Wangqi Wu, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)			
1/F Hall B	牙周病的最新研究分享会* Periodontal Case Analysis and Sharing Session*	09:30-12:30	Guest Critics: Prof. Qintao Wang, The Third Affiliated Hospital (Stomatological Hospital) of Air Force Medical University; Prof. Lei Zhao, West China Hospital of Stomatology, Sichuan University; Prof. Zuomin Wang, Beijing Chaoyang Hospital, Capital Medical University; Prof. Fuchun Fang, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)	Organized and presided over the case: Chengjie Xie, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)			
Friendship Hall Pearl River Promenade	The 6th South China International Innovation Congress on Aesthetic Medicine & The Academic Congress of the Oral & Maxillofacial Surgery Branch of Chinese Association of Plastics and Aesthetics (CAPA) & The 3rd Council Meeting and Members' Representative Assembly of Guangdong Association of Plastics and Aesthetics (2026)	09:00-09:20	Opening Ceremony	Zhiguang Zhang, President, Guangdong Plastic Surgery Association	Yingbin Xu, Nansha Division of The First Affiliated Hospital, Sun Yat-sen University		
		09:20-09:50	Cutting-edge Technologies Driving the Development of Plastic and Reconstructive Surgery	Guest Address Prof. Qingfeng Li, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine			
		09:50-10:20	Classification and Methods of Primary and Secondary Repair for Unilateral Cleft Lip	Prof. Bing Shi, West China School of Stomatology, Sichuan University	Prof. Zhiqi Hu / Xiaoguang Wang, Associate Chief Physician		
		10:20-10:40	Multi-dimensional Considerations and Strategies for Facial Regeneration Surgery	Prof. Chunmei Wang, Dermatology Hospital, Southern Medical University / Dongguan Kanghua Hospital			
		10:40-11:00	Sculptural Forms: Innovations in Concepts and Techniques	Prof. Hongwei Liu, Jilin University Overseas Chinese Hospital			
		11:00-11:20	Clinical Efficacy and Analysis of Non-surgical Treatment for Scars	Prof. Yunsong Zhang, Guangdong Second Provincial General Hospital	Prof. Jiming Zhang / Prof. Zhengmei Lin		
		11:20-12:00	How Can the Medical Aesthetics Industry in the Greater Bay Area Win the Crucial Battle of 2026?	Duoyong Sun, Founder of HuCheng Medical Beauty Education / Angel Investor in the Consumer Healthcare Sector			
		12:00-12:30	Micro-Party Class 2025 Work Report of Guangdong Plastic Surgery and Aesthetics Association	Secretary Zhiguang Zhang, Guangdong Plastic Surgery Association			
		12:00-12:30	2026 Work Plan of Guangdong Plastic Surgery and Aesthetics Association	Zhiguang Zhang, President, Guangdong Plastic Surgery Association			

Canton Fair Convention Centre (Area D of Canton Fair Complex)

Afternoon of March 5

Meeting Room	Special Academic Lecture Session	Time	Topic	Speaker	Moderator	
Canton Fair Convention Centre (Area D of Canton Fair Complex)	2/F Conference Hall A	14:00-14:30	Classification and Reconstruction of Temporo-Mandibular Joint	Prof. Yang He, Peking University Hospital of Stomatology	Chuanjie Li, Associate Chief Physician, Hospital of Stomatology, Guangzhou Medical University	
		14:30-15:00	Keynote Speech	Prof. Weihong Xi, Stomatological Hospital Affiliated to Nanchang University		
		15:00-15:30	Standardized Diagnosis and Treatment Model for Temporo-Mandibular Joint Disorders	Kong Zhang, Chief Physician, Hospital of Stomatology, Guangzhou Medical University		
		15:40-16:10	Conservative and surgical treatment options for temporomandibular joint disorders	Yaomin Zhu, Chief Physician, Shenzhen Stomatological Hospital		
		16:10-16:40	Temporo-mandibular joint disorders – An unavoidable topic in oral treatment	Li Zhang, Chief Physician, Stomatology Center, Affiliated Hospital of Yunnan University		
		16:40-17:10	Optimization Strategies of Occlusal Splint Therapy in the Non-surgical Management of Temporomandibular Disorders (TMD)	Chuanjie Li, Associate Chief Physician, Hospital of Stomatology, Guangzhou Medical University		
	2/F Conference Hall B	Dental South China Stomatological Emergency Special Session & Academic Annual Meeting of the Special Committee on Stomatological Emergency, Guangdong Stomatological Association	14:00-14:30	Analysis of the 2025 Latest Cardiopulmonary Resuscitation Guidelines	Prof. Yongjin Chen, The Third Affiliated Hospital of Air Force Medical University (Stomatological Hospital)	Fei Ren, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital) Hongwen Li, Chief Physician, Shenzhen Longgang Otolaryngology Hospital
			14:30-15:00	Clinical Diagnosis and Treatment Strategies for Acute Odontogenic Pain	Prof. Guangdong Zhang, Affiliated Stomatological Hospital of Nanjing Medical University	
			15:00-15:30	Emergency Prevention and Treatment in Alveolar Surgery - Strategies for Alveolar Socket Management	Prof. Xian Liu, West China Hospital of Stomatology, Sichuan University	
			15:30-16:00	Clinical Decision-Making and Management of Severe Dental Trauma in the Aesthetic Area	Prof. Long Jiang, Shanghai Ninth People's Hospital, Shanghai Jiao Tong University School of Medicine	
			16:00-16:30	Unidirectional Filter Membrane Decompression and Sterile Pulp Function Reconstruction Surgery	Prof. Ying Zheng, Peking Union Medical College Hospital	
			16:30-17:00	Current Situation and Future Prospects of Oral Emergency Care	Prof. Dongshen Yu, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University	
	2/F Conference Room 1 A	Dental Pulp Session*	14:00-15:00	Clinical findings and treatment of multiple canals in lower anterior teeth	Prof. Chengfei Zhang, Faculty of Dentistry, The University of Hong Kong	Prof. Qianzhou Jiang, Hospital of Stomatology, Guangzhou Medical University / Shuyu Sun, Chief Physician, Stomatological Hospital, Southern Medical University (Guangdong Provincial Stomatological Hospital)
			15:00-16:00	The Path of Digital Technology to Pulp Visualization	Prof. Liuyan Meng, Stomatological Hospital of Wuhan University	
	2/F Conference Room 2	Children's Oral Health Session*	14:00-17:00	Children's Oral Health Session*	Associate Prof. Hanguo Wang, The Third Affiliated Hospital of Air Force Medical University (Stomatological Hospital)	
	2/F Meeting Room 203	PROTECT Session	14:00-17:30	Presentation by the Top 10 Finalists	Review Expert: Prof. Xingang Lin, School of Stomatology, Zhejiang Chinese Medical University Prof. Gang Shen, Taikang Bybo Dental Medical Group Prof. Dawei Wang, Guanghua School of Stomatology, Affiliated Stomatological Hospital, Sun Yat sen University Yang An, Associate Chief Physician, Shanxi Bethune Hospital (The Third Clinical Medical College, Shanxi Medical University) Guoliang Gong, Director of Hangzhou Yaboyi Orthodontic Center Huawei Saireke, Orthodontic Director, Yiya Yingbo Dental Group Taiping Li, Director, Meizhou Liyang Stomatological Hospital Zhiyun Song, Chief Physician, Suzhou Stomatological Hospital Junyang Zhang, Dean of Huizhou Zhamei Dental Orthodontic Center	Organizer: Zhejiang PROTECT Medical Devices Co., Ltd.
					Award Ceremony	
					Conclusion	
	2/F Meeting Room V5	Medical Dialectics on the Healthcare Path, Young Dentists Compete for Excellence — South China Clinical Debate Competition on Prosthodontics	14:00-17:00	Medical Dialectics on the Healthcare Path, Young Dentists Compete for Excellence — South China Clinical Debate Competition on Prosthodontics		Organizer: Prosthodontics Committee of Guangdong Stomatological Association
